

SCS TODAY: April 2, 2020

[A late-day update from the SCS Dean's Office]

TODAY'S TOPICS

— After successful ISR and LTI graduate program open houses were held on campus weeks ago, other graduate programs in SCS had to quickly adapt their open house activities from on-campus to online. I have heard only of great results and I'm proud of how everyone came together to help each other and keep the wheels turning. Thanks to those who creatively modified already-planned open houses: Charlotte Yano (CSD); Nicole Stenger (CBD); Nicole Willis, Jenn McPherson, Skip Shelly (MHCI); Queenie Kravitz, Jeff Bigham, Tianying Chen, Toby Li (HCII PhD); Suzanne Muth, David Wettergreen, Alex Krause, Deb Tobin, Hadley Pratt, Brian Staszl (RI); Diane Stidle (MLD).

— SCS Ph.D. students: watch your email for details regarding a Ph.D. Town Hall meeting via Zoom to be held Tuesday, April 7 at 1 p.m. This meeting will be recorded.

OF NOTE

— CMU's Office of the Provost has shared details officially regarding plans for flexibility around reviews for reappointment, promotion and tenure of faculty. Questions can be directed to the Vice Provost for Faculty, VPFaculty@andrew.cmu.edu
